Legislative Affairs Webinars

Navigating the legislative landscape is critical to our members' success. Virtual Town Halls with members of Congress and webinar recordings with industry experts give our members access to resources to establish an active, impactful voice with legislators.

Did you miss or want to revisit a webinar? Simply click on the webinar title below to view a recording of the session.

Event Date	Title	Description
March 10, 2026	Federal Healthcare Policy Updates	**Brownstein** provides the latest updates from Congress, the Administration, and the courts regarding PBM reform and tariffs, along with practical insights to help you navigate what's ahead. Topics include: • The newly passed PBM Reform legislation and its potential impact on your business • The growing role of the Federal Trade Commission (FTC) and Department of Labor (DOL) in PBM oversight • The Supreme Court's ruling on IEEPA tariffs and what it signals moving forward
December 9, 2025	2025 U.S Policy Wrap Up and Look Ahead for 2026	**Brownstein** and MHA engage in an in-depth discussion reflecting on U.S. policy developments from 2025, their impact on your pharmacy's operations, and what you can expect from Congress in 2026. Topics covered: • Major 2025 policy outcomes and their ongoing implications • The effects of tariffs, government shutdowns, and MFN pricing • Expectations from Congress and the Trump Administration in 2026
October 28, 2025	U.S. Federal Policy Updates	**Brownstein,** formerly the Crowell & Moring Team, provides an in-depth federal policy update on developments from D.C., influencing healthcare and trade policy under the Trump Administration, including: • Effects of the shutdown on Medicare, Medicaid, and public health agencies • The Trump Administrations aggressive tariff strategy and its impact on pharmaceutical supply chains • Updates on the "Most Favored Nation" drug pricing initiative, TrumpRx and what it means for drug manufacturers and payers
June 24, 2025	U.S. Policy Update	**Crowell & Moring** give an update on the most recent actions by the Trump Administration, including the Reconciliation Bill in Congress, as well as: • What the most recent executive orders on drug pricing mean for the long-term care industry • Update on the tariff policy and where we stand on global healthcare • A look into the Reconciliation Bill before Congress, including what's in and what's out
April 1, 2025	Congressional Update: Budget Reconciliation in 2025	**Crowell & Moring** provide an update on the new Congress and Administration, including the impact of reconciliation in the post-acute care industry as well as: • Where the post-acute care industry stands with President Trump's healthcare appointees and their priorities • Priorities of the new Congressional Chairs on Committees of Jurisdiction

Contact us to find out more about our Legislative Affairs efforts supporting post-acute care members.
